Growth Assignment—Week #13

Milk Or Meat—Heb 5:10-14

Last week we looked at Jesus as our High Priest. That is key to understanding our salvation and the book of Hebrews. This week the writer of Hebrews takes a little time to stop and challenge them in their spiritual growth. He says that there is a lot more that he would like to tell them, but they are spiritually not ready for it yet. They are spiritually “slow to learn” - OUCH that hurts! Let’s take a look at what it means to be spiritually slow to learn.

What’s The Problem? Vs11,12

The writer wants to tell them more, but he can’t. According to verses 11,12 What Seems To Be The Problems:

Vs 11—

Vs 12—

How do you think the people responded to what was said?

How do you respond when some says that to you?

Do you think the writer was right in what he said”
Was he right in the way he said it?

What’s The Difference?

The writer makes the comparison between those who drink milk and those who eat meat. What are the contrasts between milk drinkers and meat eaters?

Milk

Meat

Read the following passages about milk. What do these verses say about milk and meat?

1 Peter 2:2

1 Cor 3:2

What can we conclude about drinking milk and eating meat?

What’s The Results? Vs 14

The writer tells us the results of those whose regular diet is meat. What results does he give:

Those who eat solid food are M _____

Those who eat solid food are able to _____

Read Hebrews 6:1,2—What are the basic elementary teachings about Christ that he is talking about?

1.

2.

3.

4.

5.

6.

What are some basic elementary areas today that you think people should be able to distinguish between good and evil?

How does knowing the Bible help us distinguish between good and evil?
