Growth Assignment—Week #21

Our Confident Assurance!—Heb 10:1-18

Last week we looked at how Christ was the ultimate atoning sacrifice for our sins. He died once and for all a sacrifice for all sin in order to make perfect those who draw near. He has made perfect for all times, by a single sacrifice, those who are being sanctified. God will remember our lawless deeds no more. Because there is forgiveness, there is no longer any need for a sacrifice.

Now we look at the practical implications of Jesus' sacrifice. He has opened the curtain to the Holy of Holies and granted us access into the very presence of God. Therefore we can now draw near to God with confident assurance as we hold on to our faith and don't neglect to keep meeting together.

Let's Take A Look: - Read Heb 10:19– 25

There are four times in which the writer of Hebrews encourages them to do something, what does he encourage them to do:
